

L-B GRANDPARENT'S DAY

Monday, October 29, 2018

We are so excited to introduce our bi-annual celebration of Grandparent's Day. This is an event for kindergarten through grade 8 at our school. This is a special day planned for grandparents to come to school and participate in a 30 minute class with their grandchildren. There are two time slots available - one right before lunch and the other immediately following lunch. You are not required to participate in lunch, but you are welcome to as the guest of our school and Liberty-Benton PTO. We will be serving the following complimentary two menu items on this day:

- Option 1: Chicken & noodles, mashed potatoes, green beans, fresh fruit, and cherry or apple crumble
- Option 2: Chef salad (Mix of greens, hard-boiled eggs, tomatoes, cucumbers, cheese, turkey & ham)
- Choice of salad dressing: Italian, French, Honey Mustard, or Ranch

If you so choose, you can also eat with your grandchild. Please note: **Students must provide their own lunch - either buying through the lunch line or bringing a packed lunch from home.** It is not complimentary like it will be for our grandparents. Please understand we will attempt to schedule you for as many visitations as possible (if you have more than one grandchild) that do not conflict with one another. Each grandparent must register separately and identify which grandchild(ren) they will be visiting and/or eating with. For those with conflicts, you may need to "divide and conquer" - registering each to visit with different grandkids.

If you are interested in participating in this event, please go to the following web address to register:

If you are unable for any reason to register on-line, please contact the elementary office (419) 422-9161 and we would be happy to help you register over the phone.

Visitation Schedule:

When registering, please indicate which session(s) you would like to visit. You may only participate in one classroom visitation session per grade per grandchild. If you have more than one grandchild, please make sure to indicate all sessions that apply. Also, please indicate if you will be eating lunch with them by marking the line by the corresponding lunch time. We may not be able to honor your session preference due to maximum room capacities. Note: You will receive a confirmation for your time(s) one week prior to the event via email. Middle school building is highlighted in yellow and Elementary is not, for your reference.
