TAXES WILL NOT INCREASE

as a result of voting for these renewals.

FACTS + DETAILS

These levies currently make up nearly 10% of the district's annual operating budget.

These funds are spent on continuing the excellence of Liberty-Benton Local Schools and its students.

The revenue from these levies makes sure students are warm, safe and dry in their school buildings and provided with the equipment, supplies and technology they need to be successful.

These levy funds do not go toward salaries or pay increases.

These two levies are renewals for the same dollar amount that was originally approved and are not new money requests.

When these levies were first passed, they were approved in two separate ballot questions. They will again be two separate ballot questions during the May 8th Primary Election.
